

Nigori Anzunshu

Product Type: Liqueur
Category: Apricot
Alcohol: Alc. 12.5% Vol.
Format: 50cl bottle
Producer: Asahara Shuzo
Region: Pref. of Saitama
Tasting temp.: Cold
Ingredients: Apricot

Yet there is much alcohol in the liquor! With this low filtration, this liqueur keeps all the characteristics of the fruit and it really feels like biting into a fresh apricot.

Gourmand, jammy, it evokes the flavours of fruit nectar

50cl . alc. 12.5% vol.

Japanese apricots, like other varieties found in Europe originated from China. It was planted very quickly in Japan and has been cultivated since centuries as an ornament but also to be eaten. Apricots in Japan are enjoyed fresh, dried, cooked, candied and liqueur is a standard product. Like other liqueurs from Asahara Shuzo, it is very pleasant as aperitif or light digestive, served fresh. It is also a remarkable cocktail base.
