

# Book : Le sake, une exception japonaise - Nicolas Baumert

Product Type: Books  
Producer: PUF

## Product short description:

Nicolas Baumert is a geographer and offers to read his thesis. A very interesting look at the sake of course because it addresses the technical aspect, but especially the cultural and historical aspect of this drink that mark and organizes an entire territory. Edition Presses Universitaires de France 2011 - 300 pages (in French).
