

Ryujin Kakushi Ginjo Genshu

Product Type: Sake Nihonshu
Category: Ginjo Genshu
Alcohol: Alc. 16% Vol.
Format: 72cl bottle
Producer: Ryujinshuzo
Region: Préf. de Gunma
Rice milling: 55%
Tasting temp.: Cold
Aromatic profile: Refreshing, floral

A silky sake with an unusual sweetness. The nose is rather light, with hints of white peach and ripe melon. Its softness is enveloping, from nose to mouth. A little acidity and a light bitterness balances nicely its sweetness. Finish is long and thirst-quenching.

Sweet, light, fruity, a sake with a unique style, very pleasant as an aperitif.

72cl - Alc. 16% Vol.
