

## Dessert et cream (2 sakes)

### Product short description:

On creamy desserts, our suggestion of pairing would be Kiyomori Heian Nigori sake, an unfiltered sake from the Enoki Shuzo brewery. On a sweet and tart dessert, let yourself be tempted by Tsukino Katsura, a nigori sparkling both fruity and lively.

### 2 SAKES 50 and 72cl

Kiyomori Heian Nigori - Tsukino Katsura

### About sakes

**Tsukino Katsura:** a sake with a salty nose, on notes of mist, but also fruity. The mouth is fresh and stimulating. Intense and rich, it evokes the freshness of citrus, orange and grapefruit. A slight and pleasant feeling of bitterness in the finish is nicely reminiscent of citrus fruits.  
72cl - alc. 17%

**Kiyomori Heian Nigori:** the nigori cuvée of Enoki Shuzo. A creamy and rich sake, yet incredibly lively and fresh in mouth. Lactic, it evokes yoghurt, it is also fruity, on banana and ripe pear. Citrus, lemon and grapefruit notes brighten the whole thing, with a nice acidity and a slight bitterness.
