

Roku Gin

Product Type: Gin
Alcohol: Alc. 43% Vol.
Format: 70cl bottle
Producer: Suntory

First gin made by Suntory, Roku Gin was infused with a selection of plants, representing the four seasons: sakura leaves, and sakura blossom for spring, sencha tea and gyokuro tea for summer, pepper sansho for autumn and yuzu peel for winter.

70cl - alc. 43% vol.

The traditional ingredients of gin, including juniper berries, orange peel, lemon zest, coriander and cinnamon, among others, are also available.
