Product Type: Shochu  
Category: Saké Kasu Shochu  
Alcohol: Alc. 20% Vol.  
Format: 72cl bottle  
Region: Préf. de Kagazaki  
Tasting temp.: Cold  
Ingredients: Kasu de saké Daiginjo

A very rare shochu, not only because it comes out only 800 bottles a year, but also because it is produced from Daiginjo sake Kasu! It is a delicate and fruity shochu with a very flowery nose. Fresh and round on the palate, the finish is very refreshing.

**Delicate, fruity, produced from Daiginjo sake kasu!**

72cl - alc. 20% vol.

When other products in the category may seem too rustic for some, we have here a very interesting shochu to start in this universe. To taste fresh as is.
