**1 bottle of Koï Koï 30cl sake - 1 carafe - 2 sake bowls**

30 cl - Alc. 14,5% Vol.

A sake with a particularly subtle nose, discreet and refreshing aromas of white-fleshed fruit, melon, peach. Clear, suave palate with notes of white flowers. Nice persistence of fruity aromas. Very slight acidity. A discrete finish and full of freshness.

**Delicate, limpid, refreshing ... typical Ginjo sake!**
