Product short description:

A sake produced in Yon Dan Jikomi, a fermentation in 4 stages instead of 3. A technique which allows to have a softer sake and it is beautiful here. Nozomi is fruity, smooth, crisp and very fresh.

Rich, fruity, and super clean!

72cl -alc. 15% vol.

Detailed tasting notes : Manrei Nozomi presents a fresh and fruity nose, on white peach, melon, with light notes of citrus zest. Well structured, it is smooth while being juicy and fresh. Notes of candy, cotton candy, a not heavy sweetness and very clear sensations. The finish is spicy, mineral and pure.

Tasting advices : enjoy as is, fresh, as an aperitif or during the meal with carpaccio, sashimi, vegetables, but also cooked fish. For dessert, with fruit or chocolate desserts.
