A sake that can be enjoyed at different temperatures from hot to cold. It has a fresh character also being consistent and robust in the mouth with a touch of acidity and bitterness, which distinguishes it.

Sharp and rather dry

30cl - alc. 15.3% vol.

With the bottles beautiful floral decoration it could remind you of a traditional Tokuri (a sake carafe) ,Zuku is ready to be heated and served. You just have to place it in a heated bain-marie for a few minutes or for a few seconds in the micro-wave. Take note that you can also drink it cold...
